REOTEMP Warranty Information

One Year Warranty

REOTEMP warrants all pressure gauges and pressure products against defective workmanship or materials under normal use and service for one year following date of shipment. Reotemp's liability is limited to repair or replacement at the factory, shipping charges prepaid. This warranty does not cover deterioration from normal wear and tear, exposure to corrosive materials, exposure to temperatures or pressures in excess of those recommended, excessive vibration, or forces or abrasion which cause deformation of component parts. This warranty is expressly in lieu of any other warranty, expressed or implied. Reotemp shall not be liable for any direct or consequential damages arising out of any defects or from any cause whatsoever. Suitability of product for the customer's application rests with the customer; REOTEMP does not warrant suitability of its product for the application selected by customer.

REOTEMP reserves the right to make product improvements and change its specification stated throughout this catalog at anytime without notification. Please contact the factory on all critical dimensions and specifications for verification.
